The managing board declares that the assignment neither regarding auditing nor adjusting has been given to a person who was not authorised by law pursuant to art. 34 and 37 of the Law of 22nd April 1999 concerning the auditing and tax professions.

Have the annual accounts been audited or adjusted by an external accountant or auditor who is not an statutory auditor? Yes / No

If YES, mention here after: name, first names, profession, residence-address of each external accountant or auditor, the number of membership with the professional Institute ad hoc and the nature of this engagement:

- A. Bookkeeping of the undertaking **,
- B. Preparing the annual accounts **,
- C. Auditing the annual accounts and/or
- D. Adjusting the annual accounts.

If the assignment mentioned either under A or B is performed by authorised accountants or authorised accountants-tax consultants, information will be given on: name, first names, profession and residence-address of each authorised accountant or accountant-tax consultant, his number of membership with the Professional Institute of Accountants and Tax consultants and the nature of this engagement.

Name, first name, profession, residence-address	Number of membership	Nature of the engagement (A, B, C and/or D)

^{*} Delete where appropriate.

^{**} Optional disclosure.

OTHER RIGHTS AND COMMITMENTS NOT REFLECTED IN THE BALANCE SHEET (including those which can not be quantified)

Exmar NV guarantees certain operational and financial obligations of its subsidiaries and joint ventures.

The main guarantees relate to the financial guarantees provided on the outstanding financial debts of subsidiaries and joint ventures.

These financial debts mainly relate to the issued senior unsecured bonds by Exmar Netherlands BV in 2014 & 2015, the ship financing loans of our joint ventures and the ship financing loans in respect of the pressurized fleet.

In case of default under the terms and conditions of the outstanding debt by any of the subsidiaries and joint ventures, the lenders can call on the guarantee provided by Exmar NV.

At year-end 2017 this guarantee amounts to USD 507.511.000 (2016: 521.500.000).

In addition, Exmar nv guarantees the capital commitments of equity accounted investees.

Per end of 2017, these capital commitments amount to USD 51.539.000 (2016: 358.244.000).

These capital commitments mainly relate to the midsize fleet under construction (LPG segment).

In respect of these capital commitments, the necessary financing agreements are in place, except for the last ordered LPG vessel under construction (USD 33.300.000) which is expected to be delivered in 7/2018.

VALUATION RULES

1) Formation expenses

Formation expenses and expenses related to capital increase are capitalised and depreciated in the year the expenses occur.

USD

2) Intangible assets

Intangible assets are recorded at acquisition cost and depreciated over 5 year maximum. Software is depreciated over a 3 year period. 3) Tangible assets

Tangible assets are recorded at acquisition cost, supplementary expenses included. The interest charges on funds employed during the construction of important investments are capitalised and depreciated over the useful life of the asset.

The tangible assets are depreciated on a straight line basis, based on policies set in relation to the expected economic life of the assets, without taking into account any residual value, namely yearly:

Buildings 3%

Leasing 3%

Machinery and equipment 20%

Furniture 10%

Cars 20% Plane 10%

Data processing material 33%

4) Financial assets

Shares are valued at their acquisition cost. The additional expenses relating to their acquisition are not recorded as an asset but are recorded under the heading 'Other financial charges' in the financial year during which they occur. Financial assets are impaired when the estimated value of the shares is lower than the book value and if the thus determined loss has a permanent character. The estimated value of each share is determined at the end of each financial year by means of a single criterion or several criteria. For investments quoted on the stock exchange, the quotation is taken into account. For investments not quoted on the stock exchange the latest balance sheet is taken into consideration, unless more significant data are available.

The receivables classified as financial asset are valued at the nominal value. Impairments are recorded when the collectability of receivables is uncertain.

5) Amounts receivable within one year

The amounts receivable are stated in the balance sheet at their nominal value. Impairments are recorded when the collectability of receivables is uncertain.

6) Investments

The investments, including own shares, are valued at acquisition cost and the cash deposits at bank at nominal value. The additional costs, relating to their acquisition are not recorded as an asset but are recorded under the heading 'Other financial charges' in the financial year during which they are incurred. The investments are impaired if the realisable value is lower than their book value. For investments quoted on the stock exchange, the quotation is taken into account. For investments not quoted on the stock exchange the latest balance sheet is taken into consideration, unless more significant data are available. 7) Cash

Cash at bank and in hand are valued at nominal value. Cash is impaired if the realisable value is lower than the book value.

8) Provisions for liabilities and charges

Provisions are made systematically for periodical vessel surveys, costs of dry-docking, onerous contracts, settlement of claims, pending claims and other operating risks.

9) Amounts payable after one year and amounts payable within one year

These are recorded in the balance sheet at nominal value.

10) Operating result

Income and charges are recorded in the related accounting period, not considering the moment the costs are paid or the revenue is collected. Profit or loss resulting from the sale of fixed assets is recorded under the heading 'Other operating income or charges'. 11) Foreign currency conversion

Non-monetary assets (foundation expenses, fixed assets and stock) are recorded for their value in the accounting currency at standard rate (monthly rate) except when foreign currencies were bought in cash or on credit, in which case the rate actually paid is applied. At balance sheet date, the non-monetary assets are recorded at historical rate (rate at which the assets were originally recorded). Incoming invoices are booked at the monthly standard rate of the date of registration. The effected payments are booked at the same rate, except when foreign currencies were bought in cash, in which case the rate actually paid is applied. The outgoing invoices are booked at monthly standard rate of the day of issue. Possible conversion differences on receipt of payment follow the main amount. Monetary assets/liabilities (receivables after and within one year, investments, accrued accounts, liabilities after and within one year and provisions) are recorded at the closing rate at year end. Negative conversion differences are recorded within other financial expenses and positive conversion differences are not transferred to the income statement but are recorded as accrued expenses.

12) Financial instruments (derivatives)

Premiums received or paid are included in the income statement as financial cost/income. At the end of the financial year, all on-going financial operations are individually evaluated at their market value and in case a loss is expected, the loss is accrued for. In case, based on the market value, a positive result is expected, the income is not recorded but is included in the notes to the financial statements, within "Rights and commitments not reflected in the balance sheet".

13) Going concern

The financial statements have been prepared on a going concern basis. In making this assessment, the Board of Directors has made the following assumption:

* Successful long term financing for the FSRU: The last installment of the FSRU has been mainly financed with the proceeds of the sale of the three LNG companies (Excelerate, Explorer and Express). EXMAR is currently in negotiations with different parties for the financing of the FSRU. Management is confident that it will be able to successfully secure a long-term financing for the FSRU.

REPORT OF THE AUDITORS

Statutory auditor's report to the shareholders' meeting of Exmar NV for the year ended 31 December 2017

(Annual accounts)

In the context of the statutory audit of the annual accounts of Exmar NV (the "company"), we hereby submit our statutory audit report. This report includes our report on the annual accounts together with our report on other legal, regulatory and professional requirements. These reports are one and indivisible.

We were appointed in our capacity as statutory auditor by the shareholders' meeting of 16 May 2017, in accordance with the proposal of the board of directors issued upon recommendation of the audit committee. Our mandate will expire on the date of the shareholders' meeting deliberating on the annual accounts for the year ending 31 December 2019. We have audited the annual accounts of Exmar NV for the first time during the financial year referred to in this report.

Report on the audit of the financial statements

Unqualified opinion

We have audited the annual accounts of the company, which comprises the balance sheet as at 31 December 2017 and the income statement for the year then ended, as well as the explanatory notes. The annual accounts show total assets of 762 676 (000) USD and the income statement shows a profit for the year ended of 111 056 (000) USD.

In our opinion, the annual accounts give a true and fair view of the company's net equity and financial position as of 31 December 2017 and of its results for the year then ended, in accordance with the financial reporting framework applicable in Belgium.

Basis for the unqualified opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those standards are further described in the "Responsibilities of the statutory auditor for the audit of the annual accounts" section of our report. We have complied with all ethical requirements relevant to the statutory audit of the annual accounts in Belgium, including those regarding independence.

We have obtained from the board of directors and the company's officials the explanations and information necessary for performing our audit.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the annual accounts of the current period. These matters were addressed in the context of our audit of the annual accounts as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters

Going Concern

"The directors of the company and its subsidiaries, (together the "Group") are required to make a rigorous assessment of whether the Group will remain a going concern for a period of at least twelve months from the date of approval of the financial statements and assess whether there are any material uncertainties in relation to the going concern basis of preparation.

"The Group's liquidity and headroom on its financial covenants are closely linked to changes in spot and charter rates, occupation of the vessels and ongoing investment and divestment programs.

"Significant management judgement and estimate is required to forecast future cash flows and conclude on whether the Group will have sufficient liquidity and will be able to comply with its financial covenants for the period of at least 12 months from the date of authorizing the financial statements.

"We refer to the financial statements, including note C 6.19 about the going concern assumption

How our audit addressed the key audit matters

"We have assessed the design and implementation of controls related to the assessment of going concern.

"We challenged the appropriateness and consistency of the assumptions used in the going concern model, in particular the spot and charter rates, the occupation ratio of vessels which are not employed under a time charter, the cash flows from investing and divesting transactions. In challenging these assumptions we took into account actual results, negotiated contract terms, external data, independent market reports and market conditions.

"We have tested the arithmetic integrity of the calculations including those related to management's sensitivities. We also performed our own sensitivity calculations to test the adequacy of the available headroom and we considered the mitigating actions available to management under these scenarios.

"We have tested the quality of management forecasting by comparing EBITDA forecasts for prior periods to actual outcomes "We have discussed and reviewed the financial covenants and recomputed the available headroom.

"We evaluated the adequacy of the Group's disclosures regarding the going concern assumption.

Other matters

The annual accounts for the previous financial year were audited by another statutory auditor who has issued an unqualified opinion with an emphasis of matters paragraph.

Responsibilities of the board of directors for the annual accounts

The board of directors is responsible for the preparation and fair presentation of the annual accounts in accordance with the financial reporting framework applicable in Belgium and for such internal control as the board of directors determines is necessary to enable the preparation of the annual accounts that are free from material misstatement, whether due to fraud or error.

REPORT OF THE AUDITORS

In preparing the annual accounts, the board of directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters to be considered for going concern and using the going concern basis of accounting unless the board of directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the statutory auditor for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a statutory auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

"identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

"obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control; "evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board of directors;

"conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our statutory auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our statutory auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern;

"evaluate the overall presentation, structure and content of the annual accounts, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the audit committee regarding, amongst other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the audit committee with a statement that we have complied with relevant ethical requirements regarding independence, and we communicate with them about all relationships and other matters that may reasonably be thought to bear our independence, and where applicable, related safeguards.

From the matters communicated to the audit committee, we determine those matters that were of most significance in the audit of the annual accounts of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes any public disclosure about the matter.

Report on other legal, regulatory and professional requirements

Responsibilities of the board of directors

The board of directors is responsible for the preparation and the content of the directors' report on the annual accounts, for maintaining the company's accounting records in compliance with the legal and regulatory requirements applicable in Belgium, as well as for the company's compliance with the Companies Code and the company's articles of association.

Responsibilities of the statutory auditor

As part of our mandate and in accordance with the Belgian standard complementary (Revised in 2018) to the International Standards on Auditing (ISA), our responsibility is to verify, in all material respects, the director's report on the annual accounts and compliance with certain obligations referred to in the Companies Code and the articles of association, as well as to report on these matters.

Aspects regarding the directors' report

In our opinion, after performing the specific procedures on the directors' report on the annual accounts, the directors' report on the annual accounts is consistent with the annual accounts for the same year and it has been established in accordance with the requirements of article 95 and 96 of the Companies Code.

In the context of our statutory audit of the annual accounts we are also responsible to consider, in particular based on information that we became aware of during the audit, if the directors' report on the annual accounts is free of material misstatement, either by information that is incorrectly stated or otherwise misleading. In the context of the procedures performed, we are not aware of such material misstatement. We do not express any kind of assurance on the directors' report.

The non-financial information as required by article 96, § 4 of the Companies Code, has been disclosed in the directors' report. This non-financial information has been established by the company in accordance with the internationally recognized framework. We do however not express any opinion on the question whether this non-financial information has been established, in all material respects, in accordance with this internationally recognized framework. Furthermore, we do not express any form of assurance conclusion on individual elements that have been disclosed in this non-financial information.

Statement on the social balance sheet

The social balance sheet, to be filed at the National Bank of Belgium in accordance with article 100, § 1, 6°/2 of the Companies Code, includes, both in form and in substance, all of the information required by the Companies Code and is free from any material inconsistencies with the information available to us in the context of our mandate. Statements regarding independence

REPORT OF THE AUDITORS

"Our audit firm and our network have not performed any prohibited services and our audit firms has remained independent from the company during the performance of our mandate.

"The fees for the additional non-audit services compatible with the statutory audit of the annual accounts, as defined in article 134 of the Companies Code, have been properly disclosed and disaggregated in the notes to the annual accounts.

Other statements

"Without prejudice to certain formal aspects of minor importance, the accounting records are maintained in accordance with the legal and regulatory requirements applicable in Belgium.

"The appropriation of results proposed to the general meeting is in accordance with the relevant legal and regulatory requirements. "We do not have to report any transactions undertaken or decisions taken which may be in violation of the company's articles of association or the Companies Code.

"This report is consistent with our additional report to the audit committee referred to in article 11 of Regulation (EU) N° 537/2014. Zaventem, April 2018

The statutory auditor
