1 Risk Factors

The Issuer believes that the factors described below represent the principal market risks inherent in investing in the Bonds. Occurrence of any risk factors described below may cause inability of the Issuer or the Guarantor to pay interest, principal or other amounts on or in connection with the Bonds. Prospective investors should also read the detailed information set out in the Registration Document dated 22 June 2015 and reach their own views prior to making any investment decision.

Risk related to the market in general

All investments in interest bearing securities have risk associated with such investment. The risk is related to the general volatility in the market for such securities, varying liquidity in a single bond issue as well as company specific risk factors. There are five main risk factors that sum up the investors' total risk exposure when investing in interest bearing securities: liquidity risk, interest rate risk, settlement risk, credit risk and market risk (both in general and issuer specific).

Liquidity risk is the risk that a party interested in trading bonds cannot do it because nobody in the market wants to trade the bonds. Missing demand for the bonds may result in a loss for the bondholder.

Interest rate risk is the risk that results from the variability of the NIBOR interest rate. The coupon payments, which depend on the NIBOR interest rate and the Margin, will vary in accordance with the variability of the NIBOR interest rate. The interest rate risk related to this bond issue will be limited, since the coupon rate will be adjusted quarterly according to the change in the reference interest rate (NIBOR 3 months) over the 3 year tenor. The primary price risk for a floating rate bond issue will be related to the market view of the correct trading level for the credit spread related to the bond issue at a certain time during the tenor, compared with the credit margin the bond issue is carrying. A possible increase in the credit spread trading level relative to the coupon defined credit margin may relate to general changes in the market conditions and/or Issuer specific circumstances. However, under normal market circumstances the anticipated tradable credit spread will fall as the duration of the bond issue becomes shorter. In general, the price of bonds will fall when the credit spread in the market increases, and conversely the bond price will increase when the market spread decreases.

Settlement risk is the risk that the settlement of bonds does not take place as agreed. The settlement risk consists of the failure to pay or the failure to deliver the bonds.

Credit risk is the risk that the Borrower or the Guarantor fails to make the required payments under the Loan (either principal or interest).

Market risk is the risk that the value of the bonds will decrease due to the change in value of the market risk factors. The price of a single bond issue will fluctuate in accordance with the interest rate and credit markets in general, the market view of the credit risk of that particular bond issue, and the liquidity of this bond issue in the market. In spite of an underlying positive development in the Issuers business activities, the price of a bond may fall independent of this fact. Bond issues with a relatively short tenor and a floating rate coupon rate do however in general carry a lower price risk compared to bonds with a longer tenor and/or with a fixed coupon rate.

No market-maker agreement is entered into in relation to this bond issue, and the liquidity of bonds will at all times depend on the market participants view of the credit quality of the Issuer as well as established and available credit lines.

Risk related to Bonds in general

Modification and Waiver

The conditions of the Bonds contain provisions for calling meetings of bondholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all bondholders including bondholders who did not attend and vote at the relevant meeting and bondholders who voted in a manner contrary to the majority.

The conditions of the Bonds also provide that the Bond Trustee may:

Except as provided for in the Bond Agreement clause 18.1.e), reach decisions binding for all Bondholders concerning the Bond Agreement, including amendments to the Bond Agreement and waivers or modifications of certain provisions, which in the opinion of the Bond Trustee, do not have a Material Adverse Effect on the rights or interests of the Bondholders pursuant to the Bond Agreement.

Except as provided for in the Bond Agreement clause 18.1.e), reach decisions binding for all Bondholders in circumstances other than those mentioned in the Bond Agreement clause 18.1.c) provided prior notification has been made to the Bondholders. The Bond Trustee may not reach a decision binding for all Bondholders in the event that any Bondholder submits a written protest against the proposal within a deadline set forth in the Bondholder notification.

Not reach decisions pursuant to the Bond Agreement clauses 18.1.c) or 18.1.d) for matters set forth in the Bond Agreement clause 17.3.e) except to rectify obvious incorrectness, vagueness or incompleteness.

Not adopt resolutions which may give certain Bondholders or others an unreasonable advantage at the expense of other Bondholders.

- (j) The Bondholders, the Bond Trustee and – provided the Bonds are listed – representatives of the Exchange, have the right to attend the Bondholders' Meeting. The chairman may grant access to the meeting to other parties, unless the Bondholders' Meeting decides otherwise. Bondholders may attend by a representative holding proxy. The attendance and the voting result of the first Bondholders' Meeting shall be specified in the summons for the repeated Bondholders' Meeting.
- (b) A valid resolution may be passed at a repeated Bondholders' meeting even though less than half (1/2) of the Voting Bonds are represented.

- (a) The Bond Trustee shall monitor the compliance by the Issuer of its obligations under this Bond Agreement and applicable laws and regulations which are relevant to the terms of this Bond Agreement, including supervision of timely and correct payment of principal or interest, (however, this shall not restrict the Bond Trustee from discussing matters of confidentiality with the Issuer), arrange Bondholders' Meetings, and make the decisions and implement the measures resolved pursuant to this Bond Agreement. The Bond Trustee is not obligated to assess the Issuer's financial situation beyond what is directly set out in this Bond Agreement.
- (b) The Bond Trustee may take any step it in its sole discretion considers necessary or advisable to ensure the rights of the Bondholders in all matters pursuant to the terms of this Bond Agreement and is entitled to

rely on advice from professional advisors. The Bond Trustee may in its sole discretion postpone taking action until such matter has been put forward to the Bondholders' Meeting. The Bond Trustee is not obliged to take any steps to ascertain whether any Event of Default has occurred and until it has actual knowledge or express notice to the contrary the Bond Trustee is entitled to assume that no Event of Default has occurred.

- (c) The Bond Trustee may make decisions binding for all Bondholders concerning this Bond Agreement, including amendments to this Bond Agreement and waivers or modifications of certain provisions, which in the opinion of the Bond Trustee, do not materially and adversely affect the rights or interests of the Bondholders pursuant to this Bond Agreement.
- (d) The Bond Trustee may reach decisions binding for all Bondholders in circumstances other than those mentioned in Clause 18.1(c) provided that prior notification has been made to the Bondholders. Such notice shall contain a proposal of the amendment and the Bond Trustee's evaluation. Further, such notification shall state that the Bond Trustee may not reach a decision binding for all Bondholders in the event that any Bondholder submits a written protest against the proposal within a deadline set by the Bond Trustee. Such deadline may not be less than five Business Days following the dispatch of such notification.
- (e) The Bond Trustee may reach other decisions than set out in Clauses 18.1(c) and 18.1(d) to amend or rectify decisions which due to spelling errors, calculation mistakes, misunderstandings or other obvious errors do not have the intended meaning.
- (f) The Bond Trustee may not adopt resolutions which may give certain Bondholders or others an unreasonable advantage at the expense of other Bondholders.
- (g) The issuer, the Bondholders and the Exchange shall be notified of decisions made by the Bond Trustee pursuant to Clause 18.1 unless such notice obviously is unnecessary.
- (h) The Bondholders' Meeting can decide to replace the Bond Trustee without the Issuer's approval, as provided for in Clause 17.3(e).

- (b) The Issuer is liable for, and shall indemnify the Bond Trustee fully in respect of, all losses, expenses and liabilities incurred by the Bond Trustee as a result of negligence by the Issuer (including its directors, management, officers, employees, agents and representatives) to fulfill its obligations under the terms of this Bond Agreement and any other Finance Document, including losses incurred by the Bond Trustee as a result of the Bond Trustee's actions based on misrepresentations made by the Issuer in connection with the establishment and performance of this Bond Agreement and any other Finance Document.
- (c) The Bond Trustee can as a condition for carrying out an instruction from the Bondholders (including, but not limited to, instructions set out in Clause 16.10(b)(i) or 17.2(a)(ii), require satisfactory security and indemnities for any possible liability and anticipated costs and expenses, from those Bondholders who requested that instruction and/or those who voted in favour of the decision to instruct the Bond Trustee. Any instructions from the Bondholders may be put forward to the Bondholders' Meeting by the Bond Trustee before the Bond Trustee takes any action.

18.3 Change of Bond Trustee

- (a) Change of Bond Trustee shall be carried out pursuant to the procedures set out in Clause 17. The Bond Trustee shall continue to carry out its duties as bond trustee until such time that a new Bond Trustee is elected.
- (b) The fees and expenses of a new bond trustee shall be covered by the Issuer pursuant to the terms set out in Clause 15, but may be recovered wholly or partially from the Bond Trustee if the change is due to a breach by the Bond Trustee of its duties pursuant to the terms of this Bond Agreement or other circumstances for which the Bond Trustee is liable.

 - (iii) all other provisions of this Bond Agreement (except (i) – (ii) above) shall remain fully in force without any modifications, or as otherwise agreed.
- (c) All amounts owed by the Issuer hereunder covered by the Defeasance Security shall be applied by the Bond Trustee, in accordance with the provisions of this Bond Agreement, against payment to the Bondholders of all sums due to them under this Bond Agreement on the due date thereof.
