

Come and hit the gas at the EXMAR Group in the position of Project Interface Manager

The EXMAR Group is currently looking for a Project Interface Manager to reinforce the Infrastructure team in Antwerp.

Who we are and what we do

The EXMAR Group is an international player in the oil and gas industry. Our core activity includes the transport and transformation of oil and gas (and derivate products) over sea. More than 1400 seafaring crew and 250 shore-based staff daily join forces to provide our clients the best service and offer them innovative solutions. Together we make sure the world is supplied with gas which energizes both them and ourselves!

Your role in the team

To coordinate internal and external project interfaces and bring together efforts offered by the project team in order to timely meet the project objectives.

Your responsibilities and tasks include:

- Oversee interactions and communications between parties that are related to the interfaces and ensure timely closure of open actions
- Manage both internal and external sources of information and interfaces according to the project scope and schedule
- Undertake setting up Interface Management processes in accordance with Client standards
- Support and coordinate the resolution of complex interfaces including expediting and escalation as necessary
- Assist with the development maintenance & agreement of the schedule and risk management plan
- Identify, control and highlight changes that can impact the scope and schedule

Your profile

- Master degree in Engineering or equivalent by experience
- Minimum 3-5 years of experience in Oil & and Gas and on major EPC projects
- LNG experience is considered as an asset
- Fluent in written and spoken English and Dutch
- Good communication skills and able to work in a structured way with a multidisciplinary team

Our offer

At EXMAR you operate a very international, dynamic and, innovative environment. With us each working day looks different. We offer a competitive salary, supplemented with a nice package of fringe benefits. Since we consider personal development and career planning important, additional in-house and external training is supported.

Convinced?

If interested, let us know by sending an email with your CV and cover letter to hrprojects@exmar.be. We will get back to you to plan a first interview.
